Mickleton, NJ. The product placement experts at Kt Steppers, LLC were honored to introduce their gifting department (Kt Giftings) to Tobey Maguire and wife Jennifer Meyer. They presented them with a hand-selected collection of amazing baby & toddler must-haves for their newly expanded family!

On May 8 of this year, Tobey and Jennifer welcomed a new addition to their family, Otis Tobias. Otis is also privileged to have a big sister, Ruby, to watch over him. She turns 3 on November 10th, so the gifting sent was a joint congratulations on birth, becoming a 'big sis' and a happy 3rd birthday!

All of the products included in this celebrity gifting were some of the coolest and trendiest hand-crafted products for babies and toddlers.

"We were more than thrilled to put this gifting together for the Maguire's!" said Katie O'Neill, Owner & President of Kt Steppers, LLC. She continues. "We (Kt Steppers) were asked to make a "Ruby" stepper and wanted to congratulate them on the birth of Otis too. Since we were making Ruby her very own Kt Stepper we wanted to open the doors to our fellow 'preneurs to introduce their products and companies to The Maguire's as a free promotion. The companies who were part of this gifting continue to drive the baby & toddler industry with amazing products that are most sought after".

There are other ‘celeb gifting’ companies out there who charge a tremendous amount to do this. As a fellow ‘mom-preneur’ I needed to come up with a better, less expensive way to reach who we wanted and know that our products and company info. was reaching the desired destination. Kt Giftings was formed”.
